*Help Us Fulfill FEC Requirements and Keep In Touch: **Federal Law requires political committees to use their best efforts to collect and report the name, mailing address, occupation and name of employer for each individual whose contributions exceed \$200 in a calendar year. Contributions from the following individuals and entities are prohibited: corporations, labor organizations, national banks, government contractors, people under 18 years of age, and foreign nationals.** The Green Party never sells or gives its list to any outside organization, but does share with state Green Parties in the donor's home state.

THANKS FOR YOUR SUPPORT!
